Subject: Steel Cable that Anchors Seat Belt may Fail

Dear Mr. Latouf:

This letter serves to acknowledge General Motors LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CHEVROLET/MALIBU/2011-2012

Mfr's Report Date: May 6, 2015

NHTSA Campaign Number: 15V-269

Components:

SEAT BELTS

Potential Number of Units Affected: 437,045

Problem Description:

General Motors LLC (GM) is recalling certain model year 2011-2012 Chevrolet Malibu vehicles manufactured April 8, 2010, to October 11, 2012. In the affected vehicles, the flexible steel cables that connect the seat belts to the vehicle at the outside of the driver seat and the front passenger seat may be bent from being sat on while entering the vehicle. This repeated bending may result in the cable breaking.

Consequence:

If the cable breaks, the seat occupant may not be properly restrained in the event of a crash, increasing their risk of injury.

Remedy:

GM will notify owners, and dealers will replace the outboard lap anchor mounting bracket and inspect the flexible steel cable, replacing it as necessary, free of charge. The recall is expected to begin July 3, 2015. Owners may contact Chevrolet customer service at 1-800-222-1020. GM's number for this recall is 15031.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received GM's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
